Present and constituting a quorum were:

Steve McConn	Chairman
Stephen White	Assistant Secretary
Paul Thomas	Assistant Secretary
Jeff Myers	Assistant Secretary

Also present were:

Jeremy LeBrun	District Manager
Nicole Corbin	Governmental Management Services
Patrick Collins <i>by phone</i>	District Counsel
Rodney Honeycutt	District Engineer

FIRST ORDER OF BUSINESS

Roll Call

Mr. LeBrun called the meeting to order and called the roll. We have four Supervisors present in person constituting a quorum.

SECOND ORDER OF BUSINESS

Public Comment Period

Mr. LeBrun: That brings us down to the public comment period. Any members of the public wish to make a statement or comment to the Board, we just ask that you state your name and address and try to keep it under three minutes. All right, we'll bring it back to the Board. No public comment.

THIRD ORDER OF BUSINESS

**Approval of the Minutes of the January
13, 2026 Board of Supervisors Meeting**

Mr. LeBrun: Next we have the approval of the minutes of the January 13, 2026 Board of Supervisors meeting. If there's no corrections, is there a motion to approve that?

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Minutes of the January 13, 2026 Board of Supervisors Meeting were approved.

FOURTH ORDER OF BUSINESS

Discussion of Verona Phase 1 Erosion Issues

Mr. LeBrun: Item number four is discussion of the Verona Phase One Erosion Issues. Willow Creek One discussed that in the previous Board meeting. I don't know if anyone else wants to add anything.

Mr. Honeycutt: So, we'll do Village D field work this week, get a report out next week, and follow up with Village B. Should have everything before the next meeting.

Mr. LeBrun: Okay.

FIFTH ORDER OF BUSINESS

Ratification of Uniform Collection Agreement with Brevard County Tax Collector

Mr. LeBrun: This brings us down to the ratification of the uniform collection agreement with Brevard County Tax Collector. Patrick, did you want to go through this one?

Mr. Collins: I can take that. This is just our annual agreement that allows us to collect assessments on the county tax roll. It's just a standard form of agreement. Most counties use it. No legal objections or notes to any disagreement.

Mr. LeBrun: We are just looking for a ratification of this item.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Uniform Collection Agreement with Brevard County Tax Collector, was ratified.

SIXTH ORDER OF BUSINESS

Staff Reports

A. Attorney

Mr. LeBrun: Staff reports, we'll go back to Patrick.

Mr. Collins: Nothing additional to add. I would just reiterate the legislative updates we discussed during the Willow Creek One meeting.

Mr. LeBrun: Questions for counsel?

Mr. McConn: Negative.

B. Engineer

Mr. LeBrun: Down to our District Engineer, Rodney, anything additional to report?

Mr. Honeycutt: No, I don't have anything additional.

C. Field Manager's Report

i. Consideration of Pressure Washing Proposals from Beacon Cleaning

Ms. Corbin: We went over everything in the first one, so unless you guys have questions I'll skip to just approving all of the proposals that I had. First, before I get to the official proposals, is the dog waste disposals. If you guys are good with me purchasing those and getting them installed?

Mr. McConn: Yeah. Motion to approve.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Dog Waste Station, was approved.

Ms. Corbin: Perfect. Then the other thing, there are color options. Basically, it's green, black that has white writing, and then black that has tan writing. I was planning on just doing the black or the black with tan. If you guys have an opinion.

Mr. McConn: I think we want green to match the benches.

Mr. Myers: Green.

Mr. Thomas: Green.

Ms. Corbin: Okay. It's the same price no matter what.

Mr. White: I like green.

Mr. LeBrun: So, we have a motion and a second for the green variation.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Green Variation, was approved.

Ms. Corbin: Then the other one is for the clocks for the gym and the pool. Like I said, it's \$55 to \$60 for me to purchase both of those. And they're just simple installations that I can do.

Mr. McConn: Motion to approve.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Pool and Gym Clock, was approved.

Ms. Corbin: Now to the official proposals. The pressure washing for the clubhouse and the retaining walls. That will include cleaning the chairs, everything like that for \$1,898, if that gets approved.

Mr. McConn: Motion to approve.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Pressure Washing Proposals from Beacon Cleaning, was approved.

Ms. Corbin: The other one for the pressure washing is for the entrance median area. Two options. One is for the full cleaning. The other one's for the spot cleaning. Whichever one you guys prefer.

Mr. McConn: Motion for a full cleaning.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Entrance Median Area Pressure Washing Full Cleaning Option, was approved.

ii. Consideration of Landscaping Proposals from Robertson’s Lawns, Inc.

Ms. Corbin: Now to all the proposals from Robertson's. First one is for the original proposal for replacing plants for a total of \$16,400. If you guys are good with that one?

Mr. McConn: Motion to approve.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Proposal from Robertson’s Lawns for Replacing Plants, was approved.

Ms. Corbin: Second one is for replacing the dead plants in the front part of the neighborhood for a total, with everything, is \$35,820.32.

Mr. McConn: Motion to approve.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Proposal from Robertson’s Lawns for Replacing the Dead Plants, was approved.

Ms. Corbin: The next one is the trimming of the two trees for a total of \$3,700.

Mr. McConn: Motion to approve.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Proposal from Robertson’s Lawns for Trimming of Two Trees, was approved.

Ms. Corbin: Next one is the proposal for the new phase in the neighborhood for the plants that were dead from the freeze for a total of \$5,707.50.

Mr. McConn: Motion to approve.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Proposal from Robertson’s Lawns for New Phase Plant Replacement, was approved.

iii. Consideration of Landscape Maintenance Proposal for Willow Creek Phase 2 from Robertson’s Lawns, Inc.

Ms. Corbin: Then the last one is the new phase for Robertson's to take over for a monthly cost of \$8,500. I believe Patrick has something to say on that.

Mr. Collins: I was just going to ask if the Board could please consider deferring this proposal to the next meeting. I just want to get with Jeremy to discuss this one. We touched on it briefly but didn't come to a conclusion yet. If we add this new phase to the existing contract, that puts us over the RFP threshold where we would have to go back out to bid. I know we just did that pretty recently, so if there's any way possible to avoid that, I think it would be in the Board's best interest to just consider delaying this for a month or two. And I'll get with staff to determine if there's another route we can go down where we can potentially avoid having to bid this one out again

Mr. McConn: In lieu of signing them up, obviously, we're going to have to do something in the shorter term. Do we need to have our installation vendor maintain the areas once or twice, until we get this thing resolved?

Mr. LeBrun: We could, if they're okay with that.

Mr. McCon: I mean, it's just that we would pay them direct. If the CDD can't hire somebody without resolving this issue, then that's the only option we have.

Mr. LeBrun: Yeah. And, Patrick, feel free to jump in here but, if we're not doing the full contract amount, if they're billing us on a per time basis, we won't hit that cap before then. So, if Robertson's could possibly, if we're not entering into an agreement yet, if they could bill us per cut, we won't hit that cap. Patrick, would that be a way for them to service the area until that contract gets into place? If they would just be billing for one cut at a time, we wouldn't hit that total amount.

Mr. Collins: Yeah, that's acceptable. We will just treat as additional work for now.

Ms. Corbin: I don't see why they wouldn't. But I'll text Krista as soon as the meeting's over and verify that they'll bill per service until we're able to approve a contract.

Mr. LeBrun: And there might be ways we can break it out where they bill like Willow One, Willow Two separately. Staff will work on that.

Mr. McConn: Motion to defer and to hire Robertson's per service in the interim.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, Deferring and Hiring Robertson's Lawns, Inc. Per Service in the Interim, was approved.

iv. Consideration of Proposal for Key Fobs from Strada Services, LLC

Ms. Corbin: We have the Strada for 150 more key fobs for, the proposal says \$374.50, I haven't had them remove tax, but they removed it every other time, so it'll be \$350 total.

Mr. McConn: Motion to approve.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Proposal for Key Fobs from Strada Services, LLC, was approved.

Ms. Corbin: Solitude is for the vegetation removal of the cattails and the dead plants for a total of \$8,000.

Mr. McConn: Motion to approve.

On MOTION by Mr. McConn, seconded by Mr. Myers, with all in favor, the Proposal from Solitude for Vegetation Removal of Cattails and Dead Plants, was approved.

Ms. Corbin: And that is all I have.

D. District Manager’s Report

Mr. LeBrun: All right, nothing else to report from District manager.

SEVENTH ORDER OF BUSINESS

Financial Reports

A. Approval of Funding Requests #16-18

Mr. LeBrun: We just have the approval of Funding Requests #16 through #18. Those are all on page 66. Happy to take any questions on them. If not, just need a motion to approve those funding requests.

On MOTION by Mr. McConn seconded by Mr. White with all in favor, Funding Requests #16-18, were approved.

B. Balance Sheet and Income Statement

Mr. LeBrun: Behind that you have your financials, unaudited financials through February 28. No action required there on the Board's part.

EIGHTH ORDER OF BUSINESS

Supervisor’s Requests

Mr. LeBrun: If there's no Supervisor's request, we just need a motion to adjourn.

Mr. Honeycutt: I have a question.

Mr. LeBrun: Yes, Rodney?

Mr. Honeycutt: So, this is CDD II, so that doesn't include Phase One, Village B or Village D. Are there any rear lot issues we need to look at there yet? Anybody report any?

Ms. Corbin: For Phase Two, I don’t believe so because that’s all the stuff they’re just now building.

Mr. Honeycutt: Right. So, I wouldn’t think so.

Ms. Corbin: I hope not.

Mr. Honeycutt: So really, it’s only Phase One. Okay, I just wanted the clarification.

Ms. Corbin: Yeah, it would only be Willow One that's having the erosion issues.

Mr. Honeycutt: Okay. Thank you.

NINTH ORDER OF BUSINESS

Adjournment

Mr. LeBrun: If there are no other questions, we would just need a motion to adjourn.

On MOTION by Mr. McConn seconded by Mr. White, with all in favor, the Meeting was adjourned.

THIS SERVICES AGREEMENT (the "Agreement") is effective as of the date indicated above (the "Effective Date"), by and between SOLitude Lake Management, LLC ("SOLitude" or "Company"), and the customer identified above (the "Customer"), in accordance with the terms and conditions set forth in this Agreement.

1. **SERVICES.** SOLitude will provide services (the "Services") at the Customer's property in accordance with the Scope of Services attached hereto as Schedule A.
2. **MODIFICATIONS.** Any deviation from the requirements and Services outlined in Schedule A involving extra cost of material and labor will result in extra charges. Such additional services will be provided by SOLitude only upon a Change Order mutually approved by the parties in writing (the "Change Order").
3. **PRICING.** The Customer agrees to pay for the Services, as well as any applicable sales or other taxes, in accordance with the Pricing Schedule attached hereto as Schedule B. Prices are subject to annual increases. SOLitude will notify the Customer in writing (which may be by invoice) of such increases.
4. **PAYMENT.** Payment is due within thirty (30) days of the invoice date. Any disputes with an invoice or invoices must be brought to the attention of SOLitude by written notice within one hundred and twenty (120) days from the invoice date, otherwise Company will not be liable for any potential credits or adjustments. The parties agree to use good faith efforts to resolve any disputed invoice amounts within thirty (30) days after written notification of a dispute. Disputed amounts shall not affect payment of all undisputed amounts, and Customer agrees to pay all undisputed amounts owed on any disputed invoice within the applicable due dates. Invoices not paid on or before the invoice due date shall accrue interest charges at a rate of one percent (1%) per month, accruing as of the invoice date, until the time that such amounts are paid in full. Additionally, the Customer is liable for payment of all costs of collection of past due accounts, specifically including, but not limited to, court costs, expenses, and reasonable attorneys' fees. In addition to the compensation paid to SOLitude for performance of the Services, Customer shall reimburse SOLitude for all of the expenses paid or incurred by SOLitude in connection with the Services, including, but not limited to non-routine expenses, administrative fees, compliance fees, or any other similar expense that are incurred as a result of requirements placed on SOLitude by the Customer that are not covered specifically by the written specifications of this Agreement ("Reimbursable Expenses"). 5. TERM AND EXPIRATION. This Agreement shall commence on the Effective Date and shall remain in effect for an initial term of one year(s) (the "Initial Term"). Thereafter, this Agreement shall automatically renew under the same terms, conditions and specifications as set forth by this Agreement and for the same period of time as the Initial Term (each an "Additional Term") (the "Initial Term" and each "Additional Term" thereafter are collectively referred to herein as the "Term") unless either party gives written notice of cancellation thirty (30) days prior to the termination date of the Term then in effect. The parties understand and agree that the prices for each Additional Term shall automatically increase by **four percent (4%)** of then current annual pricing. SOLitude reserves the right to increase the amount charged for the Services. Such increase shall be communicated by written notice to the Customer, which notice may be by invoice. Customer may reject any such additional increase by notifying SOLitude in writing within fifteen (15) days of receiving such price increase notice.

6. TERMINATION. SOLitude may terminate this Agreement at any time, with or without cause, upon thirty (30) days' written notice to Customer. Subject to Sec. 7, in the event that this Agreement is terminated for any reason prior to the end of the Term, Customer agrees to pay SOLitude, in addition to all other amounts owed, an early termination fee of fifty percent (50%) of the remaining value of the Agreement (the "Early Termination Fee"). The Early Termination Fee is not a penalty, but rather a charge to compensate SOLitude for the Customer's failure to satisfy the Agreement in which the Customer's pricing plan is based.

7. TERMINATION FOR CAUSE. If SOLitude fails to materially perform pursuant to the terms of this Agreement, Customer shall provide written notice to SOLitude specifying the default. If SOLitude does not cure such default within forty-five (45) days of SOLitude's receipt of Customer's written notice, Customer may terminate this Agreement, in whole or in part, for cause. The Company, in case of such default, shall be entitled to receive payment only for work completed prior to said default, so long as the total paid hereunder does not exceed the contract sum. Either party may terminate this Agreement immediately if the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.

8. INSURANCE. SOLitude will maintain general liability and property damage insurance as necessary given the scope and nature of the Services. A certificate of insurance will be issued to Customer, upon request.

THE CUSTOMER AGREES THAT THE WORK PROVIDED UNDER THIS AGREEMENT IS NOT TO BE CONSTRUED AS INSURANCE, OR AS A COVENANT, GUARANTEE, WARRANTY, OR PROMISE OF ANY KIND THAT THE CUSTOMER IS IN COMPLIANCE WITH ANY LEGAL GUIDELINES OR REQUIREMENTS. COMPANY DISCLAIMS ANY LIABILITY OR RESPONSIBILITY REGARDING THE PRACTICES AND OPERATIONS OF THE CUSTOMER, AND BEARS NO RESPONSIBILITY OR LIABILITY FOR WHETHER THE CUSTOMER CARRIES OUT THE RECOMMENDATIONS MADE BY COMPANY AND IN NO EVENT WILL COMPANY BE LIABLE FOR CONSEQUENTIAL, INDIRECT, OR ECONOMIC DAMAGES. THE CUSTOMER SHALL INDEMNIFY AND HOLD COMPANY HARMLESS FROM AND AGAINST ALL CLAIMS, DEMANDS, LIABILITIES, OBLIGATIONS, AND ATTORNEYS' FEES OR COSTS BROUGHT BY ANY THIRD PARTIES, ARISING OUT OF OR RELATED TO THIS AGREEMENT OR BY FAILURE OF THE CUSTOMER TO ACT IN ACCORDANCE WITH ANY LEGAL REQUIREMENTS IN CONNECTION WITH THE SERVICES DESCRIBED IN SCHEDULE A. COMPANY SHALL NOT BE LIABLE FOR ANY DELAY IN PERFORMING THE SERVICES, NOR LIABLE FOR ANY FAILURE TO PROVIDE THE SERVICES, DUE TO ANY CAUSE BEYOND ITS REASONABLE CONTROL. COMPANY WILL BE RESPONSIBLE FOR ONLY THOSE DAMAGES, CLAIMS, CAUSES OF ACTION, INJURIES, OR LEGAL COSTS CAUSED BY ITS OWN DIRECT NEGLIGENCE OR MISCONDUCT, BUT THEN ONLY TO AN AMOUNT NOT TO EXCEED THE ANNUAL FEES CHARGED UNDER THE AGREEMENT.

10. CONFIDENTIAL INFORMATION. "Confidential Information" means any information disclosed by one party ("Discloser") to the other party ("Recipient"), either directly or indirectly, in writing, orally, or by inspection of tangible objects, other than information that the Recipient can establish (i) was publicly known and made generally available in the public domain prior to the time of disclosure; (ii) becomes publicly known and made generally available after disclosure other than through Recipient's action or inaction; or (iii) is in Recipient's possession, without confidentiality restrictions, at the time of disclosure by Discloser as shown by Recipient's files and records immediately prior to the time of disclosure. Recipient shall not at any time (a) disclose, sell, license, transfer, or otherwise make available to any person or entity any Confidential Information, or (b) use, reproduce, or otherwise copy any Confidential Information, except as necessary in connection with the purpose for which such Confidential Information is disclosed to Recipient or as required by applicable law. Recipient agrees to take all reasonable measures to protect the secrecy of and avoid disclosure and unauthorized use of the Confidential Information. All Confidential Information shall at all times remain the property of Discloser, and all documents, electronic media, and other tangible items containing or relating to any Confidential Information shall be delivered to Discloser immediately upon the request of Discloser.

Notwithstanding the foregoing, if Recipient is required by law, regulation, subpoena, government order, regulatory agency order, judicial order, or other court order to disclose any Confidential Information, Recipient shall give the Disclosing Party timely and lawful written notice of such a requirement prior to such disclosure, and shall reasonably and lawfully cooperate with the Disclosing Party to seek a protective order, confidential treatment, or other appropriate measures for such Confidential Information.

11. FORCE MAJEURE. The Company shall not be liable for any delay in performing the Services, nor liable for any failure to provide the Services, due to any cause beyond its reasonable control.

12. RIGHT TO SUBCONTRACT. The Company, in its sole discretion, may subcontract or delegate to an affiliate or third party any of its duties and obligations hereunder.

13. FUEL/TRANSPORTATION SURCHARGE. Like many other companies that are impacted by the price of gasoline, a rise in gasoline prices may necessitate a fuel surcharge. As such, the Company reserves the right to add a fuel surcharge to Customer's invoice for any increase in the cost of fuel as measured above the same time period in the prior year (by the National U.S. Average Motor Gasoline-Regular Fuel Price per Gallon Index reported by the U.S. Department of Energy). The surcharge may be adjusted monthly (up or down) with the price of gasoline.

14. ANTI-CORRUPTION AND BRIBERY. Each party represents that neither it nor anyone acting on its behalf has offered, given, requested or accepted any undue financial or other advantage of any kind in entering into this Agreement, and that it will comply with all applicable laws and regulations pertaining to corruption, competition and bribery in carrying out the terms and conditions of this Agreement.

15. E-VERIFY. SOLitude utilizes the federal E-Verify program in contracts with public employers as required by Florida State law, and acknowledges all the provisions of Florida Statute 448.095 are incorporated herein by reference and hereby certifies it will comply with the same.

16. GOVERNING LAW. Except for the Mandatory Arbitration Clause in Section 17 of this Agreement, which is governed by and construed in accordance with the Federal Arbitration Act, this Agreement shall be governed by, and construed in accordance with, the laws of the state in which the Services are performed.

17. **MANDATORY ARBITRATION.** Any claim, dispute or controversy, regarding any contract, tort, statute, or otherwise ("Claim"), arising out of or relating to this Agreement or the relationships among the parties hereto shall be resolved by one arbitrator through binding arbitration administered by the American Arbitration Association ("AAA"), under the AAA Commercial or Consumer, as applicable, Rules in effect at the time the Claim is filed ("AAA Rules"). Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. Neither party shall sue the other party other than as provided herein or for enforcement of this clause or of the arbitrator's award; any such suit may be brought only in Federal District Court for the District in which the services were performed or, if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state, or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement including any claim that all or any part of the Agreement is void or voidable. Venue for arbitration hereunder shall be within the state where the customer's property, that is the subject of the services provided, is located.

18. **ASSIGNMENT.** The Company may assign this Agreement to a related or affiliated entity upon written notice to the Customer.

19. **NOTICES.** All notices, requests, consents, claims, demands, waivers and other communications hereunder shall be in writing and shall be directed to the individuals and addresses listed in the signature block. Notices sent in accordance with this Section shall be deemed effectively given: (a) when received, if delivered by hand (with written confirmation of receipt); (b) when received, if sent by a nationally recognized overnight courier (receipt requested); or (c) on the third (3rd) business day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid.

20. **DISCLAIMER.** SOLitude is not responsible for the failure of any treatment, equipment installation, or other work that may result from dam or other structural failures, severe weather and storms, flooding, or other acts of God that are outside of the control of SOLitude. Customer understands and acknowledges that there are irrigation restrictions associated with many of the products used to treat lakes and ponds. The Customer is responsible for notifying SOLitude in advance of the contract signing and the start of the Agreement if they utilize any of the water in their lakes or ponds for irrigation purposes. The Customer accepts full responsibility for any issues that may arise from the irrigation of turf, ornamentals, trees, crops, or any other plants as a result of treated water being used by the Customer for irrigation without the consent or knowledge of SOLitude. Although there is rarely direct fish toxicity with the products used for treatment when applied at the labeled rate, or the installation and normal operation of the equipment we install, there is a risk under certain circumstances of significant dissolved oxygen drops. This risk is most severe in times of extremely hot weather and warm water temperatures, as these are the conditions during which dissolved oxygen levels are naturally at their lowest levels. Oftentimes, lakes and ponds will experience natural fish kills under these conditions even if no work is performed. Every effort, to include the method and timing of application, the choice of products and equipment used, and the skill and training of the staff, is made to avoid such problems. However, the Customer understands and accepts that there is always a slight risk of the occurrence of adverse conditions outside the control of SOLitude that will result in the death of some fish and other aquatic life. The Customer also understands and accepts that similar risks would remain even if no work was performed. The Customer

Services Agreement

agrees to hold SOLitude harmless for any issues with fish or other aquatic life which occur as described above, or are otherwise outside the direct control of SOLitude, unless there is willful negligence on the part of SOLitude.

21. BINDING. This Agreement shall inure to the benefit of and be binding upon the legal representatives and successors of the parties.

22. ENTIRE AGREEMENT. This Agreement constitutes the entire agreement between the parties with respect to the subject matter and replaces any prior agreements or understandings, whether in writing or otherwise. This Agreement may not be modified or amended except by written agreement executed by both parties. In the event that any provision of this Agreement is determined to be void, invalid, or unenforceable, the validity and enforceability of the remaining provisions of this Agreement shall not be affected.

23. SEVERABILITY. If any part of this Agreement is held to be invalid or unenforceable for any reason, the remaining Terms and Conditions of this Agreement shall remain in full force and effect.

the 1990s, the number of people in the world who are under 15 years of age is expected to increase from 1.1 billion to 1.5 billion (United Nations 1998).

There are a number of reasons why the number of children in the world is increasing. One of the main reasons is that the number of children who are surviving to adulthood is increasing. This is due to a number of factors, including improved medical care, better nutrition, and a decrease in child mortality. Another reason is that the number of children who are being born is increasing. This is due to a number of factors, including a decrease in the age at which women are having children, and an increase in the number of children who are being born to women who are already having children.

The increase in the number of children in the world is a cause for concern. This is because children are the most vulnerable members of society, and they are often the most affected by poverty and social inequality. In addition, the increase in the number of children is putting a strain on the world's resources, and it is making it more difficult to provide for the needs of all children.

There are a number of things that can be done to help reduce the number of children in the world. One of the most important things is to improve the health and education of women. This will help to reduce the number of children who are born, and it will help to ensure that the children who are born are healthy and educated. Another important thing is to reduce poverty and social inequality. This will help to ensure that all children have access to the resources they need to survive and thrive.

The number of children in the world is a complex issue, and it is one that requires the attention of the entire world. We must work together to find ways to reduce the number of children in the world, and we must ensure that the children who are left are healthy and educated. Only then can we hope to create a better world for all.
